

## Stay at a beautiful place and practice music, paint art or write for a week.

This is the place -

where you can find focus, practice and get your creativity back!

- Are you a musician, an author, artist or a photographer?
- Are you writing a dissertation or need to study?
- Do you need peace and quietness to be able to practice, write or paint from the morning to the evening?
- Or do you just need to rest your soul?

Here you will find total tranquility and can concentrate in a beautiful environment without distraction. Summer or wintertime – it is just as wonderful!

You stay in a half-timbered house from the beginning of the 20th century. In the beautiful conservatory with underfloor heating, you work in total silence with beech trees in the garden outside the large glass panes. There is internet.

There is an acoustic piano and a digital church organ for you to practice on.

It is the perfect place for practicing, writing or painting from morning until night.

Are you an artist or a photographer and looking for that special unique light, you will find it nearby along the coast of “Kattegatt”.

If you are an ensemble or if you have companion, there are four beds(1000 SEK extra/person and week).

For 100 SEK/person, you can also rent bedding and towels. You clean the house properly at departure.

Deposition when booking: 1000 SEK (Refunded by departure) You pay for the stay when arriving.

Pets are not allowed.

If you want to take a break, you drive 25 minutes to the sea with miles of beautiful beaches for swimming and walking. Up on “Hallandsåsen” there are also hiking trails in stunning scenery.

While following the walking paths at “Hovs Hallar” by the coast on the peninsula of Bjäre or at the steep cliffs in “Kullaberg”, your mind wanders along the ocean's horizon.
