

Stay at a beautiful place and practice music, paint art or write for a week.

This is the place where you can find focus, practice and get your creativity back!

- Are you a musician, author or an artist?
- Do you need peace and quietness to be able to practice, write or paint from the morning to the evening?

Here you will find total tranquility and can concentrate in a beautiful environment without distraction. Summer or wintertime – it is just as wonderful!

You stay in a half-timbered house from the beginning of the 20th century. In the beautiful conservatory with underfloor heating, you work in total silence with beech trees in the garden outside the large glass panes.

There is an acoustic piano and a digital church organ for you to practice on.

It is the perfect place for practicing, writing or painting from morning until night.

Are you an artist and looking for that special unique light, you will find it nearby along the coast of “Kattegatt”.

If you are an ensemble or if you have companion, there are four beds.

There is also a small apartment with a kitchen, shower and one bed + an extra bed to rent for 2000 SEK/Week For 50 SEK/person, you can also rent bedding and towels.

If you want to take a break, you drive 25 minutes to the sea with miles of beautiful beaches for swimming and walking. Up on “Hallandsåsen” there are also hiking trails in stunning scenery.

While following the walking paths at “Hovs Hallar” by the coast on the peninsula of Bjäre or at the steep cliffs in “Kullaberg”, your mind wanders along the ocean's horizon.

Accompaniment and coaching in piano technique

- Are you a pianist and want to be inspired and trained in piano technique?
- Are you a singer or instrumentalist and want to get accompaniment?

Gunilla Rönnerberg is a trained pianist (6 years at music colleges in Sweden and two years at the Music conservatory in Sofia – Bulgaria). She has worked for many years developing technique exercises, and also worked a lot with sound and musical expression.

You will get practical exercises where you learn to use a minimum of energy while playing, and how to gain speed in total relaxation. You will learn how to create different sounds, and get coaching when it comes to musical expression in the pieces you are practicing.

If you play another instrument or are a singer you can get accompaniment by Gunilla.

Coaching - piano technique : € 60/30 min

Accompaniments : € 60/30 min

Access to the instruments : Piano , Digital church organ .
